

OD EXPO SERVICES

FOCUS ON YOUR TRADESHOW. LET OD FOCUS ON YOUR FREIGHT.

TRADE SHOWS ARE HECTIC. SHIPPING YOUR BOOTH SHOULDN'T BE.

Before you even arrive at your show, you've already invested heavily in time and resources to make sure your event is a success. The last thing you want to do is put all that work at risk with just any shipper. Protect your investment by partnering with the best. Trust Old Dominion to get your booth to the show on time, complete, and damage-free.

After all, OD has been rated the #1 National LTL Carrier for Quality for 13 years in a row*. It shows in our performance with an on-time record of over 99% and a low claims rate that leads the industry.

OD's promise to you is a worry-free experience with unmatched customer service. Our proactive communication and 100% visibility means you always know where your booth is so you can put your attention toward maximizing your show success.

SEAMLESS SERVICE COAST TO COAST

Premium customer service. Decades of experience. With the know-how and integrity to get the job done right, Old Dominion is ready to take the stress and complexity out of your next trade show shipment.

QUICK TIPS FOR SEAMLESS TRADE SHOW SHIPPING

- Clearly mark each piece of your shipment and the bill of lading with the numbers for your booth and point of contact
- Remove any old shipping labels that may create confusion
- Indicate your move in or arrive by date on the bill of lading
- Schedule your return shipment in advance to make the process seamless for your team

AFTER THE SHOW

MAKE SURE your booth staff know how to complete the material handling form on the last day

- Notate Old Dominion as your carrier of choice
- On the “reroute” section, check “Deliver back to warehouse at exhibitor’s expense”
- Return the form to the show service desk once your shipment is packed
