

Fact Sheet

Old Dominion Freight Line, Inc.

Old Dominion Freight Line, Inc. is one of the largest North American less-than-truckload (“LTL”) motor carriers and provides regional, inter-regional and national LTL services through a single integrated, union-free organization. Our service offerings, which include expedited transportation, are provided through an expansive network of service centers located throughout the continental United States. The Company also maintains strategic alliances with other carriers to provide LTL services throughout North America. In addition to its core LTL services, the Company offers a range of value-added services including container drayage, truckload brokerage and supply chain consulting.

Premium services

OD Domestic gives customers nationwide coverage with a network of more than 255 service centers to help shippers manage their LTL and logistics needs. Our premium service continues to win awards and has allowed us to increase our market share. For the thirteenth consecutive year, Mastio & Company named OD the top LTL National Carrier for Quality for our industry-leading service.

OD Expedited provides shippers with the ability to arrange for time-sensitive and appointment deliveries with our Guaranteed, On Demand, Must-Arrive-By-Date and Air services. OD Expedited also provides highly customizable solutions that will meet the needs of any shipper, including security dividers and weekend promise service.

OD Global offers a wide range of services within the global supply chain with door-to-door freight visibility. We can handle container delivery, including less-than-container-load and full-container-load shipments, international freight forwarding and global assembly and distribution.

OD Technology enables us to manage both equipment and shipments more efficiently while consistently providing customers with premium service and access to real-time information. Our technology also empowers our customers by giving them the tools to efficiently manage their shipping needs.

OD People help you keep your promises. Old Dominion consistently delivers outstanding customer service, maintains an impressive safety record and builds a financially strong company that's poised to remain at the forefront of this industry. Behind this success are more than 23,000 union-free employees ready to make your business their business.
